

Bill Rivers Conservation Area

There are a number of stone features on this property, including stone walls and stone structures. Some may be part of a Native American ceremonial landscape. Please be respectful of all stone work. DO NOT disturb stones when doing trail work or when hiking. Thank you. The Bill Rivers Conservation Area is town-owned.

The Leverett Trails Committee is co-sponsored by the Leverett Conservation Commission and the Rattlesnake Gutter Trust. We thank

- the volunteers who design, building and maintain the trails
- Ray Bradley, Philip John, and Kate Jones for providing the LIDAR imagery of Leverett

Please join us on the trails. Questions? Offers of help? Contact us at concom@leverett.ma.us
