

RGT CR Monitoring Report, page 1

Property: Dan Glazier Forest	Year of this Report: 2012
Owner: name, address, phone, email if relevant (Also name of local contact if relevant.): (<i>skip if owned</i>)	
Date owner invited to monitoring (<i>skip if owned</i>)	
Date and recommendations from last year's monitoring: None	
Date of this year's monitoring: 11/18/12	
Participants: Eva Gibavic, Julie Shively	
Brief description of route taken (also draw on map): Started from west side, following the southern boundary, cut over to the cliffs, and then back along northern boundary, returning to beginning point.	
Describe any man-made alterations (include on map, add photograph or "none observed"): None observed.	
Describe any natural alterations (include on map, add photographs or "none observed"): None observed	
Describe any interactions (on day of site visit or in past year) with landowner or others having use of the land: None	

Describe any changes in use being planned (change of ownership, land use, etc.):

- Have discussed putting in a trail.

List observations, comments, information requests, areas needing discussion or review:

- Parking an issue now with the powerline access blocked by a gate.
- Key to NE Utilities gate is with Margie McGinnis at the Town Hall.
- Land to the south starting to grow back in; might lose the view unless more clearing work is done.
- Lots of critter scat.

List any needed follow-up:

Discuss putting in the trail at Board meeting; do it.

Suggestions for next year's monitoring team?

- Go in from northwest corner...we missed that this year.
- Go to the east side pins, too.
- Bring GPS with shape file so we stay on the property more!
