

Dan Glazier Forest RGT Stewardship Plan 2015

1. Property and Year: Dan Glazier Forest, 2015

2. Last Year

a. Goals Last Year and Accomplishments:

Trail building once powerline work was completed...not completed.

b. Anticipated Budget Last Year and Actual Costs:

None

3. Goals for this year:

Explore CR for property with RGT Board and Franklin Land Trust.

Other goals from last year: build a trail around the property, including dealing with NE Utilities about a key. Julie Shively has one that was to be shared with her and RGT. Might be best to have one of our own, as her availability is limited (although we have not needed one).

4. Activities planned to meet those goals (and timeline):

RGT Board discussion on CR.

Discussion at RGT meeting to plan timeline for trail making.

5. Anticipated costs (both on-going and for this next year only):

CR costs.

Trail making costs should be minimal, except for a great deal of time.

6. Plan completed by: Eva Gibavic
