

# East Leverett to Long Hill Trails

The Leverett Trails Committee is co-sponsored by the Leverett Conservation Commission and the Rattlesnake Gutter Trust. We thank:

- the volunteers who are helping clear and maintain the trails
- the Massachusetts DCR for a federally-funded Recreational Trails Program grant
- the private landowners who have so generously opened their land to hikers.
- Ray Bradley, Philip John, and Kate Jones for providing the LIDAR imagery of Leverett.

Please note:

- seasonal restrictions to protect ground-nesting birds (dogs on leash) at the East Leverett Meadow
  - Teawaddle Hill Farm alternate trail when the cattle gate is closed
  - Cider Mill Road is a private road and is open to walkers, but please park at the boat ramp for the Friendship Trail
- eBirders: There are 3 hotspots on this map: East Leverett Meadow, East Leverett Beaver Pond and Trails and Leverett Pond. Please enter your data to help us manage these habitats.

Please join us on the trails. Questions? Observations? Trail problems? Offers of help? Contact us at [concom@leverett.ma.us](mailto:concom@leverett.ma.us) For updates and copies of the map: [www.rattlesnakeguttertrust.org/trails](http://www.rattlesnakeguttertrust.org/trails) and the Leverett Library
