

RGT CR Monitoring Report, page 1

Property: Schuyler Conservation Restriction	Year of this Report: 2014
Owner: name, address, phone, email if relevant (Also name of local contact if relevant.): <i>(skip if owned)</i> Anne Schuyler, 95 Amherst Road, Leverett, MA 01054	
Date owner invited to monitoring <i>(skip if owned)</i> Sunday, November 9, 2014	
Date and recommendations from last year's monitoring: December 18, 2013 None	
Date of this year's monitoring: Tuesday, November 11, 2014	
Participants: Sheila Seaman, Tom Hankinson	
Brief description of route taken (also draw on map): Counterclockwise, beginning at northwest corner of CR	
Describe any man-made alterations (include on map, add photograph or "none observed"): None observed <i>ornone observed</i>	
Describe any natural alterations (include on map, add photographs or "none observed"): None observed <i>ornone observed</i>	
Describe any interactions (on day of site visit or in past year) with landowner or others having use of the land: I spoke with Anne at the transfer station on the Sunday prior to the walk about joining us. She had to work on the morning we did the walk, so she declined. There was no snow on the ground. We need to add orange blazes to the trees on the route. We did fine by finding each corner with the GPS.	

<p>Describe any changes in use being planned (change of ownership, land use, etc.):</p> <p>None.</p>
<p>List observations, comments, information requests, areas needing discussion or review:</p> <p>The day was cloudy but pleasant. Pins were generally not found. However, using the existing GPS coordinates we were able to find each corner, all marked with flagging.</p>
<p>List any needed follow-up:</p> <p>Border paint/iron pin paint and tree blazes must be done on next monitoring.</p>
<p>Suggestions for next year's monitoring team?</p> <p>Enjoy this great walk!</p>
