

W7. October 27, 2009 005
Same location as W6, but looking
north along west line of “broken
stone wall.”

W8. October 27, 2009 006
42.4539, -72.5032
At western opening of church right-of-way
looking south.

W9. October 27, 2009 007
Same location as W8, looking north to corner
and pond.

W10. October 27, 2009 008
42.4543, -72.5034
NW corner, looking west to pond along
stone wall. Paper marks probable location of
iron pin in intersection of stone walls.
(iron pin not found, but there is gap in
intersecting stone wall.)

W11, October 27, 2009 009
same location, looking west
Stone wall that marks most of western line
has gap here – can barely be seen to right
of tree.

W12, October 27, 2009 015
Along road looking southwest into pasture
(with goat at front and horse at back).
Pasture has recently had major clearing of
scrub and vines.

W13, October 27, 2009 017
Along road looking west over pasture with recent clearing.

W14, October 27, 2009 020
Along road looking northwest into pasture which has been recently cleared.

W15, October 27, 2009 018
View southeast to church and King Lot and flags from the October 24th community 350 event. Photo taken in front on Annette Gibavic memorial trees.
